

Susanna² Soule's Husband Identified

"Old Schemes of heresy are dressed up and revived under new names until the work of Sovereign grace in changing the heart of a sinner and regenerating the Soul is denied and moral government is Substituted instead of Sovereign grace"

[p. 104] "1833 Preach occasionally as last year

"My Sons David S and Michael made me a visit in the fall of the year—nothing particular to notice this year

"1834 Preach at Haddam half the time through the winter when I received a call from the Baptist Church & Society to remove my wife to Haddam and serve them in the ministry for the year ensuing which Call I accepted and accordingly removed to Haddam in April

"Nothing especial occurred during the year

"I found the[m] in a low state we had to exclude 4 and Suspend 1 from the communion I attended 12 funerals 3 of them were members of the Church

"1835 I returned home in April and continued to labor on my farm until november and preach occasionally until november when I received a call from the church in Essex to spend the winter with them which call I accepted and removed there the 24 of november having preached with them 1 Lords day before I removed

"I found the church very low in religious feeling and spiritual enjoyment and some of the members in a backsliden state."

[p. 105] "1836 January 1st The past year is gone the spring was late cold and wet the Summer cold and dry—the fall dry and short, for the winter commenced the 22nd of November and Soon became severe with but little Snow . the water is low wells mostly dry the ground frozen altho the wether is now pleasant for the season

"Religion low in faith and and practice

"I am now in my seventieth year fifty seventh of my membership in the Church and thirty sixth of my ministry my evening of life is setting in

"O Lord grant me of thy free grace a calm Serene evening that when I fall asleep I may find everlasting repose in my adorable Saviour—

"And thine shall be the praise forever Amen"

[Pages 106 to 182 are blank.]

[p. 183] "An Hymn

"Oh Jesus all beauties in thee are combined
And daily I feel them enriching my mind
By making me patient and sweetly resign'd
To every condition and trouble I find

"If sorrow depresses & pierces my heart
And makes every pleasure and comfort depart
I loose them by viewing thee nail'd to the tree
And bleeding and groaning and dying for me

"Oh who has compassion like Jesus my love
None saw me but him from the regions above
His look was compassion & big with design
To make me at length in his image to shine"

[p. 184*] "Married in Saybrook
