News from President Bob Bishop

As the 1999 New Year opened, I moved up from First Vice President to President of the Soule Kindred. In preparation, in late 1998 I experimented with how to increase membership after attending a meeting of the New Jersey Mayflower Society, where I met several other George Soule descendants, some members, some not.

Back home, I looked in the directory of NJ Mayflower members and found 15 Soule descendants, of which only two were Kindred members. I copied the Membership Solicitation page from a recent newsletter, filled in my name as sponsor, made 13 duplicates and mailed them to the Kindred non-members.

One was received recently from Robin Dunsmore Burns of Summit, NJ, a neighbor to our long-time residence nearby.

Similar promotion in other states seems worthwhile. Will you do the same in your state?

What other ideas for membership growth do you have? Are there likely candidates in your own family? Anne and I are giving memberships to our six children.

Life Membership

A surprise in February was receipt for my signature a handsome Life Membership Certificates numbers 108, 109, 110 and 111 for Mitchell W. Soule of Kirkland, WA, Steve Jones of Kansas City, MO, Ernest A. Frey of Brookline, MA and Mary Soule Kelly of Hendersonville, NC.

Texas or Massachusetts?

As I read the papers turned over to me by Past President Chris Schlosser, I learned of a long standing uncertainty arising from Soule Kindred having been incorporated in 1972 in both Texas and Massachusetts.

It is clear that the 1973 annual meeting of the Kindred was in favor of merging the two corporations, but nothing could be found on legal action taken to do so.

Inquiries were sent to the non-profit corporations divisions of both states. Texas reported that the corporation was voluntarily dissolved April 8, 1974. Massachusetts reported that the corporation's Charter had been revoked November 17, 1986.

Along with this information, Massachusetts sent forms for "revival" of the corporate status, including filing of reports for the previous 10 years. This is in process.

Meet Our 1999 Reunion Host

Our 1999 Reunion host, Norm Standish, is a descendant of four Mayflower passengers, George Soule, Edward Doty, John Alden, and Miles Standish.

He is retired from a 32-year career as a researcher and executive in organic chemistry, initially for Standard Oil of Ohio and later, after their merger, with British Petroleum. His specialty was in organic chemistry fields such as polymers, which took him into such practical fields as fiber glass and Corvette auto parts.

For most of his youth, he lived in Lanark, IL in the large Queen Anne-style home of his parents. It was an area which originally attracted many Mayflower descendants.

He became an undergraduate at Beloit College but was drafted for the Korean War a year later. He served mostly in Japan, with duties in Crypt Analytics, a specialty of abstract research without reference to either a known language or code.

After military service, he enrolled at Purdue University where he earned both Master of

Science and Doctor of Philosophy degrees in organic chemistry.

While at the University, he met and married his wife, Ingrid, and they started a family of three children.

Norm has pursued hobbies in photography, wood working, pottery, hand bookbinding, and marbelized end papers. He remains active in professional and historical organizations and three years ago took third place in national croquet competition.

After the death of his parents, Norm inherited his parent's home and later restored and redecorated it as a Bed and Breakfast under a resident manager. It is furnished largely with antiques that he purchased in England. It will be the headquarters of our Reunion August 11-14.

Assistant Treasurer Appointed

Harrison C. "Hank" Leland has been appointed Assistant Treasurer to back-up our long-term Treasurer Betty-Jean Haner. Hank is a highly logical choice for the new position as both live in Colonie, NY (with Albany addresses) and nearby Schenectady banks hold Soule Kindred's accounts and investments. (I know how to spell Schenectady as I was an undergraduate there at Union College and one of my Dutch ancestors was one of the original 14 settlers.)

"B.J." has been Treasurer since 1970 and was recorded in that position in both the Soule Kindred Texas and Massachusetts Charters of 1972. A retired Library Media Specialist in the South Colonie, NY schools, "B.J." is also Treasurer of the Albany Colony Society of Mayflower Descendants in the State of New York, the Sunday School and Women's Organization of Lisha's Kill Reformed Church, and the South Colonie Retired Teacher's Association.

Hank is also a long-term member and retired General Electric Company accountant.

As Betty-Jean has been requesting for several years, either Hank or the President will review Kindred's financial records annually.

Scholarship Committee

"B.J." and Hank are joined on the Kindred's Scholarship Committee by Betty Harris (Mrs. Edwin S.) of Seguin, TX, who was host to the second annual Directors meeting of the Kindred in San Antonio, TX in 1973.

The committee in 1998 considered 14 applications and recommended three scholarships awarded at the Reunion in Vero Beach, FL. Scholarship applications for 1999 are due by July 1.

The first "Matching Gift" for the scholarship fund was received from the parents of Elizabeth Keohane, a recipient of the George Standish Soule Memorial scholarship in 1998.

New Webmaster

Ruth Hall has agreed to be Webmaster of the Kindred internet website and is updating this facility, which was developed by Chris Schlosser during her final year as Kindred President.

Ruth has developed a beautiful new website for the Kindred with full color, flowers and music at a very long, temporary address:
<http://www.geocities.com/Heartland/Plains/6431/SouleKindred.html>.

By the time you read this, it may have been transferred to <http://www.soulekindred.org>.

So far, there are pages for "About Soule Kindred," "Contact Information," and a "Membership Form" on which can be typed name and address on-line, printed and mailed to our treasurer. Pages on Kindred Scholarships and the 1999 Reunion are planned. We are also looking for some appropriate Mayflower graphics. Any ideas?

Ruth has her own genealogy website at <http://home.att.net/~ruthhall/index.html>.

Ruth is self taught as a web page designer. She took HTML lessons on the internet and studied the book "HTML by Example" by Todd Stauffer.

Ruth has been a member since 1995 and is the wife of George Soule descendant Bernard Hall.

She has traced two Soule surname lines of her husband to George Soule. The first is George¹, John², Aaron³, Aaron⁴, John⁵, and Samuel⁶. The second is George¹, John², Joshua³, Joseph⁴, Joshua⁵, William⁶, and Elizabeth⁷. The third cousins Samuel⁶ and Elizabeth⁷ married. Their son, Alexander⁷, was the father of Lucy Soule⁸, grandfather of Alexander Hall⁹, and great grandfather of Ruth's husband Bernard¹⁰.

Editor's Corner

Another quarter of a year has passed already. Incredible. As someone once said, "So much time and so little to do!" Well, of course not, but it is an appealing thought sometimes.

Anyway, it seems many of the Kindred have been busy as indicated by the quite full, many-paged newsletter we have this month. And, as long as it is, I have another 20 pages or more of e-mail stuff that I had to leave out because of space constraints. Hopefully some of that will make it into next quarter's newsletter.

There's no need for me to recap what follows in the newsletter in any detail except to say that we have a number of personal items (births, deaths, and marriages, some with pictures even), some historical items, a pot load of e-mail items - most of genealogical interest, etc. Of special note are this year's scholarship recipients. Congratulations to these worthy young people.

On a personal note, and since I have the floor, so to speak, let me put in a request for information on a few of my Soule ancestors. If someone reading this has any information on the Oscar H. Soule/Sarah Ann Bryant family or on of any of their children (Aubrey or Aubury Mountford, Fernando Bradford, Percy B., Walker R., Guy Lawrence, Oscar Burton, Grace May, or two other children who died in their infancy, who's names I do not have), I would truly love to hear from you. I have done quite a bit of research on this family, but much more needs to be done. I'll give a more detailed accounting of these folks in the next newsletter, space permitting.

I hope all is well with all of you. Please forward any information on to me that you think I should consider for inclusion in the newsletter.

SOULE KIN ELECTED TO FOOTBALL HALL OF FAME

A George Soule descendant, Jerry Rhome, who was quarterback for Southern Methodist University in Dallas in 1961 and The University of Tulsa in 1963 and 1964, has been named to the National Football Foundation and College Hall of Fame. John F. Hanson, chairman, announced Rhome's honor among the 1998 Division I players and coaches.

Jerry's ancestry to George Soule has been developed by his sister, Joann Rhome Herring of Soldotna, Alaska (Quilter2@alaska.net) who is "super proud of Jerry".

A 1964 First Team All-America selection, Jerry Rhome was awarded the Walter Camp Trophy as the nation's most outstanding football player. He capped his senior season by earning recognition as the Player of the Year by the Academy of Sports Editors, Knute Rockne Club Player of the Year and Washington Touchdown Club Player of the Year.

A two-time First Team All-Missouri Valley Conference selection, Rhome was runner-up in the 1964 Heisman Trophy balloting. Twice named the team's Most Valuable Player (1963, 1964), he was elected to the Tulsa Athletic Hall of Fame and had his number 17 jersey retired.

Rhome's National Football League playing career then lasted from 1965-71 with the Dallas Cowboys, Cleveland Browns, Houston Oilers and the Los Angeles Rams.

He returned to the University of Tulsa to be the Offensive Coordinator from 1973 to 1976. In 1977 he became an NFL coach with the Seattle Seahawks and has been in the NFL as a coach ever since. He earned a Super Bowl Ring in 1988 while coaching with the Washington Redskins. His picture can be seen at <http://collegefootball.org/feature/index.shtml#Rhome>

Jerry and Joann's ancestral line is: (George Soule and Mary Becket, Susannah Soule and Francis West, Susannah West and Moses Barber, Lydia Barber and Benjamin Mowrey, Hannah Mowrey and Josiah Greene Sr., Hannah Greene and Daniel Bliven, Anna [Nancy] Bliven and Peter Crandall, Daniel Crandall and Olivia Kendall, Nancy Almira Crandall and Peter Gremps Rhome, Byron Crandall Rhome and Ella Elizabeth Loftin, Joseph Otto Rhome and Daysie Norfleet Cogdell, Byron Cogdell Rhome and Lillie Faye Shiflet).

QUERY - Joann is having trouble establishing proof that Hannah Mowrey was the daughter of Benjamin Mowrey. A possible source is a will of Benjamin Mowrey of 1725/6 in North Kingston RI cited in The Greene Tree, by S.J.Stoltzenburg. She would appreciate any help.

From the Historian

List of Priorities

Soule Kindred in America - Historians Office

for the Year 1999

Priority 1: Re-establishment of the Soule Kindred Historian - Associate Historian.

The first idea I have for to the re-organization of the Historian's Office, is to re-establish the Office of **Associate Historian**. This office was established several years ago, then "prematurely" dis-established after the short life of one year. I have always believed that that premature dis-ruption was a mistake; and still, in light of 20/20 hindsight, believe that to be true. There is no good reason for a complete loss of continuity of operation of the Soule Kindred Historian's office such as took place after the death in office of Dr. Milton Terry (A gap of almost 2 years until the office was completely operational); or as was the case during my own selection and appointment process during the last year. I also believe that the associate historian could be a tremendous asset to the Historians office, in the relief some of the burden of "queries" which I have found to be "unbelievably large." I also believe that the appointment of such an Associate Historian should be taken with the idea in mind that the person being appointed would be in line to immediately assume the tasks of the office of Historian, should there be sufficient reason for the Historian to "step-down." There should **not ever again**, be allowed, the "complete fiasco of selection" which took place during my own selection as Historian.

In light of these ideas, and the experience of having dealt with her on a "direct genealogical research" basis for quite a while: I've taken the action of designating Mrs. Ruth Hall, of Toledo Ohio., as the first Associate Historian of Soule Kindred in America. She is a highly motivated and capable researcher; has been a member of Soule Kindred in America for several years and carries with her, the experience of having administered and acted as the moderator, of the "SOULE-L Newsletter.", of internet/email computerized research; as well as several years of research in her own and her husbands, Soule family research. Her contributions to the overall goals of the Soule Kindred Historians office through her administration of her SOULE-L Newsletter will continue as she deems proper.

Priority Two: Soule Kindred Index; Soule Spouses Index; and Soule (Other Surname) Indexes.

For years, the Soule Kindred in America, has had an informal program of indexing all the "Known" descendents of George Soule - Mayflower Pilgrim, their spouses and known descendents of other surnames than Soule/Sowle/etc**. I believe that as conceived, this program was (and remains) a highly effective tool of genealogical research of the George Soule family lines. The last known upgrade of these documents, was in

1992. I believe upgrade of this "highly valuable research tool" should be given a much higher priority than it has had during the past several years. I believe that an at least annual upgrade to these documents should be undertaken. I believe that there should be a much higher priority given to their "computerization." and that they should become immediately available to any/all computer researchers desiring to own them at a "reasonable cost." (My definition of reasonable cost, is the same cost as their hard paper equivalents.)

NOTE: *******(and all their spelling derivations.)

Priority Three: Soule Family Researchers Network: Data Bank

Several years ago, I submitted to the Soule Kindred in America; a document which contained ideas for what, for lack of a better name, I called the Soule Family Researchers Network: Data Bank. It contained ideas for how that data bank might be instrumented and administered. I asked for "sanction" of the project by Soule Kindred (merely "Sanction"). I was summarily refused! Such a data bank as I envisioned in that request, already exists in small part.

Soule Kindred has over the past several toyed with the idea of "computerization" of the Soule Kindred archives. Up to a point, that project also had a start toward becoming reality and exists today, as the present Soule Kindred Index; Soule Spouses Index and Soule (Other Surname) Indexes.

Ideas submitted in the "Request for Sanction" letter, and those presented here for the "computerization" of the Soule Kindred Archives, are not incompatible ideas; In point of fact, they are directly complementary.

I believe that the ideas of the Soule Family Research Network: Data Bank and those of the "computerization" of the Soule Kindred Archives should be undertaken as a separate project of the Soule Kindred in America. They could, but would not necessarily have to be, under the auspices of the Historians Office, (which probably would be the source of most of the data.) I believe this project should be given the priority commensurate with it's importance to all Soule family researchers, and within the "educational" role of Soule Kindred as promulgated in our Bylaws. (Question: What has Soule Kindred done to educate anyone lately, other than to provide some scholarships to deserving students?)

Such a project as herein mentioned, has already begun. Some volunteers have been recruited, ideas have been solicited. More of each will be required for its completion. "Sanction" by Soule Kindred is requested! It is not considered as a requirement, only requested as a matter of courtesy and would be desirable. **We herewith request the "Sanction" by Soule Kindred in America, for this project.**

Priority Four: Expansion of the Soule Kindred in America Archives Library.

There exists in the Soule Kindred in America's archives, a small but fairly good library of books pertaining to George Soule, and Mayflower subjects. That library is approximately doubled with the inclusion of the contents of my own personal library, which consists primarily of genealogies of families allied with Mayflower families, manuscripts of genealogies of other families, and a growing collection of Cd-Rom computer disks. There have been quite a few new books pertaining to Mayflower subjects, and new CD-Rom disks published in the last few years, all of which could be very complementary to the "educational" goals of Soule Kindred in America.

I believe that the Soule Kindred in America's Historians Office should be engaged in a program of acquisition of some of the newer publications available for Soule Family research and for Mayflower family research. I believe that the Historians Office should have a budget for such acquisition.

My recommendations for the first acquisitions for this purpose would be: The complete set of books published by the General Society of Mayflower Descendants- "The Five Generation project" and the " Mayflower Families in Progress" Series.

Second recommendation should be the complete set of Massachusetts Vital Records on computer CD-Rom disk, as published by Search and Research Publications: Wheat Ridge, CO.

Third recommendation would be that the Soule Kindred get it's own computer, and it's own copy machine.

Priority Five: Repair of the old Soule Kindred archives Micro-fiche/Micro-film Copier/reader.

The old machine provided with the Soule Kindred archives, works well for just micro-fiche reading and will also print however the film transport does not work. I have tried to get it working by taking it to a couple of repair facilities, but to no avail. So far, I still have no firm estimate on repair costs and I believe that it should probably be returned to the original manufacturer for repair, but I have,nt accomplished that as yet. It should be done ASAP.

I wanted to inform you that a grand old lady, **Alice Genevieve Lafon Gushee**, who was a double descendant of George Soule, passed away on February 9, 1999 at the age of 96 years old.

Her great-grandmother was Sophronia Soule, daughter of Josiah Soule of Duxbury and Sophronia Jenkins of Scituate. A note of interest is that Sophronia Soule (wife of Lorenzo C. Gilson), lived into her nineties as well. She was born in 1825 and died in 1912. I will be in Boston, Massachusetts on Friday through Monday for the funeral and burial - so if you don't see any of my "goodie" postings - that's why.

**Ventura names lawyer to lead
judicial selection commission**

Gov.-elect Jesse Ventura on Monday appointed George Soule, a Minneapolis lawyer, to lead the Minnesota Commission on Judicial Selection, which screens judicial applicants for district court vacancies.

Soule is vice chairman of the part-time commission, which the Legislature established in 1990 to reduce political favoritism in judicial appointments. He will replace Kathleen Meyerly, whom Gov. Arne Carlson appointed last year.

The nine-member panel screens applicants for vacancies on the district court bench and provides the governor with three to five names. The governor isn't required by law to pick from the list.

"George was selected for his ability to see through partisan influences and select the best judge for the job," Ventura said in a news release. "Under his leadership, this commission will help me fill judicial vacancies in a nonpartisan, nonpolitical way."

Soule is only the second appointee by Ventura since his Nov. 3 election victory as the Reform Party candidate. Earlier this month, the governor-elect announced the appointment of Steven Bosacker as his chief of staff. Ventura will be sworn in Jan. 4.

Soule has been on the commission since 1992 and has served on several ad hoc committees that screened candidates for the Minnesota Court of Appeals and specialty courts.

He is a founding partner and practicing civil trial lawyer at the Bowman and Brooke law firm in Minneapolis. He received his law degree from Harvard Law School.

Soule is chairman of the civil litigation section of the Minnesota State Bar Association; chairman of the association's judicial elections committee; a member of the Governor's Commission on Violent Crime, and a member of the Minnesota American Indian Bar Association.

In 1980, he headed the independent presidential effort in Minnesota of then-Rep. John Anderson of Illinois.

Queries:

I started doing my family research in 1980. I went right back to Hiram Soule or Sowles, then I hit a brick wall. I so much want to find my ancestry back to George Soule. I feel he is the son of Peleg and Betsy, that drowned. Can't that book be wrong?! I don't think Hiram wanted to be found. Is there any update on this lineage? - (submitted by Janet Carper, 3553 Cty. Rd. 46A, Auburn, IN, 46706)

Does anyone have the dates for Ebenezer Soule's will? Dies 1812. Will Bk C, p. 392, Columbia Co. NY. Have abstract but not dates (encl.). - (submitted by Ethel J. Lawson, 511 Sandlewood Dr., Venice, FL, 34293-2828)

Editor's note: Despite all of the foregoing information on people, Soule Kindred member Elizabeth Gill has sent us a letter that describes some watch-outs relative to posting information in the public domain for people still living. Generally this is not a problem, especially in publications such as the *Soule Newsletter*. Nevertheless, Elizabeth's point is well taken.

It has recently come to my attention that some family associations and other genealogical groups are posting genealogy on the internet and publishing materials which include birth and marriage dates for people who are still living.

I do not agree that this is a good practice in view of the number of scams and identity stealing which is currently occurring (particularly in a state like Florida).

If you wish to include my genealogy in any publication or on the internet, please do not include any birth or marriage dates and places for my husband or myself.

If you already have done this, please delete it from the material you have printed.

Thank you very much for your cooperation.

Sincerely,

Died October 6, 1998 in Spring Hill, FL, Kenneth Edward Thomas, age 91, husband for over 60 years of the late Alida (Smith) Thomas.

Mr. Thomas was born in Iowa, son of Edward and Alta (Carrier) Thomas. He lived most of his life in CT. He was the father of the late Kenneth Russell Thomas, and the late Marion (Thomas) Morrill. He leaves one daughter Joyce (Thomas) Smith of FL, five grandchildren, several great grandchildren, a half sister, Shirley (Thomas) Denison of Somerset, and a cousin, Mary (Athearn) Matson of Charlottesville, VA.

Interment of ashes was at Oak Grove Cemetery in West Haven, CT. on October 28th.

Ken's mother died in Iowa when Ken was still in his mid-teens. He then moved to Massachusetts to live with his father. He was a graduate of The Mt. Hermon School for Boys in Mt. Hermon, Mass.

Ken was an avid gardener and photographer. He developed his own photos, and grew the very best tomatoes that I ever tasted. His interests were many. In his younger years he belonged to various Lodges in West Haven, Ct. He was a frequent donor to the Red Cross, repeatedly giving blood to them over a period of many years. His retirement years were spent in Old Saybrook, Ct. where he and his wife Alida were active with the Senior Citizens group. Together they helped to deliver meals to house-bound seniors. They also participated in the senior bowling league. While in their 70's and 80's, they could be seen bicycling around Old Saybrook. Ken was also interested in trains, and set up a model railroad and village in his cellar. He had a life-long collection of stamps, and participated in various craft activities, such as the carving of bird mobiles.

Dear Chucks,

Congratulations on being the new Soule Newsletter editor.

I see where the 1999 Reunion is to be held at Lanark, Illinois, hosted by Norman Standish.

I immediately checked to see if Lanark was anywhere near Scales Mound or Galena, the area where my Grandfather was born and lived before coming to Kansas.

I am enclosing an account - starting with my Great-Grandfather, Gilbert Randell Soule, a seventh generation from George, the Pilgrim.

I thought it might be interesting if you choose to use it in a future issue of the newsletter.

I am from a large family. There were 16 children in my family - 12 girls - 4 boys.

I enjoy reading the newsletter.

Sincerely,

Bertha Erickson

If you are unable to use this - that's fine. I would like to have the picture of Freeman Gilbert and Susan returned. I'm not sure what postage it will take but am enclosing 2 stamps - hope that will cover. I had trouble finding something to send it in. Package you can use the same folder - Thank you -

Gilbert Randell Soule, a seventh generation from George (The Pilgrim) was born in Amenia, Dutchess County, New York on July 5, 1805.

He left New York as a young man accompanied by two brothers. They settled in Michigan where they farmed for a time. Later he moved to Illinois where he also farmed.

While in Illinois he met and married Ester Phidelia Freeman. They lived near Galena, Illinois. She died and is buried at Galena.

Gilbert Randell was left with 5 children, Freeman Gilbert (my grandfather), George Alonzo, Orthia Phidelia, Adeline Jane, and Marcia Eliza.

In 1857 Gilbert Randell took his 5 children to Kansas and settled on Eagle Creek near what is now Olpe, Kansas.

Freeman Gilbert (my grandfather)⁽⁸⁾ was born 24 April 1839 so he was 18 years old when they moved to Kansas. He served 3 years in Company G of the 11th Kansas Regiment during the Civil War.

Freeman Gilbert married Susan Bitler on 21 Nov. 1867. They had 10 children. Susan died when the youngest was only 3 years old so he like his Father was left with young children to raise.

Freeman Gilbert and Susan (Bitler) Soule's children were 1. Harry Lynn 2. Clifford Lee 3. Elsa Phidelia 4. Lucius Gilbert 5. Daniel Bitler 6. Ralph Lionel 7. Freeman Wilber (my Father) 8. Cora Edith 9. Leonard 10. Lula Adeline

Freeman Gilbert passed away in Sept 1924 at Madison, Kansas, and is buried in the Olpe Cemetery which is a part of his old home place which he donated as a cemetery when he and Susan's son, Daniel Bitler, died in 1875.

My Father, Freeman Wilber,⁽⁹⁾ was born 10 Feb. 1880. He married Harena Belle Moore at Madison, Kansas, 18 Oct. 1901. They had one son, Freeman Roy, who was born 18 June 1902.

Freeman Wilber later married Sarah Emma Cronk 27 Jan. 1920. They had 16 children which are listed below. I am the oldest of this family. We are the 10th generation from George, the Pilgrim.

1. Bertha Mae (Sowle) Erickson
2. Betty Lee (Sowle) Uhl
3. Eleanor Lulu (Sowle) Jacoby
4. Phyllis Ann (Sowle) Enos
5. Susan Irene (Sowle) Thole
6. Merle Louis Sowle
7. Joan (Sowle) Talkington
8. Carol Christine Sowle - died 19 May 1935
9. Thedda Marie (Sowle) Betten
10. Sharron Elene (Sowle) Urton
11. Gilbert Alfred Sowle
12. Karen Louise (Sowle) Nordmeyer
13. William Wilber Sowle
14. Sandra Jean Sowle - died 1 Jan 1943
15. Florence Leah (Sowle) Sellers
16. Richard Allen Sowle.

Freeman Wilber, my Father, passed away at Eureka, Kansas, 19 May 1961.

All of Freeman Wilber and Sarah Emma's children live in Kansas with the exception of Merle Louis who lives in Mt. Vernon, Ill.

At the present time there are 55 grand children of Freeman Wilber and Sarah Emma and 92 Great Grand Children.

SOULE FAMILY

The following notes were found among the mementoes of MATTIE ELLEN (BEAL) PRICE (11):

"Etta Soule, her Brother Ed (Edwin H.) Soule and his Wife Ella and their family of six children came to Western Kansas when we did and took a homestead one-half mile west of our old stone house. The children's names were: Ada, Bertie, Myra, Jessica (?), Arvie and a Son Phillip.

"Edwin H. Soule had the first post office in the area established 11 February 189 and named Macon. He also helped to establish county government for Wallace County. (Wallace County History Book, Copy-rht 1979). In 1901, the name of the Macon Post Office was changed to the Dinas Post Office and moved to another location in the area.

"The family did not stay very many years in Western Kansas before returning to Illinois. However, upon leaving they retained some Western Kansas land for a number of years. The following listings are in the Standard Atlas for Wallace County, 1908:

"Edwin H. Soule - 160 A in Sec 5-15-38
Edwin H. Soule - 160 A in Sec 32-14-38
H.E. Soule - 160 A in Sec 6-15-38
H.M. Soule - 160 A in Sec 6=15-38

Later

Dwight Soule - Also owned land in Wallace County
"Edwin H. Soule has homesteaded on the northwest one-fourth of Sec8-15-38. Many settlers sold their homesteads because they could not cope with the dry climate and no money. Neighbors would buy the land for as little as \$25.00 for 160 acres.

"In later years, two or three of the girls went to Abington, Massachusetts, to visit their cousin Augusta. (Barrows) Beal Murray."

II. Joshua Cushman, who was born on October 14, 1708. He died at Marshfield on March 25, 1764. He married, first, on January 2, 1733, Mary Soule, daughter of Josiah Soule, of Duxbury. She was born on December 6, 1706. He married, second, on March 8, 1752, Deborah Ford, of Marshfield, who was born in 1718 and who died on July 1, 1789. He came from Lebanon, Conn., and settled in Duxbury. Joshua had one son:

Paul Cushman, who was born in 1741. He married Ann Parke, and he died at the home of his daughter, Eurebia, at Bath, N. H., in February, 1808. She died at Dalton, N. H., in 1822. He removed to Charleston, N. H., before the Revolution and was the first blacksmith in that town. He came from Canada during some of the Indian wars with an expedition to bring back some captives. He resided in Littleton, N. H. and in Barnett, Vt., until 1796, and afterwards, at Bath, N. H. He had one son:

Clark Cushman, who was born on October 8, 1769, at Charleston, N. H. He first married Catharine Groute, February 3, 1794. She died at Barnett, Vt., on March 8, 1837. He married, second, Sarah Hadley, of Barnett, Vt. He died September 20, 1851. The Orleans County Gazette, published in Irasbury, Vt., says: "The body of Mr. Clark Cushman was found last Sabbath morning in a field near his house at Parsumprie Village. He had of late been living some three miles or more distant from the village and on the previous Friday had gone to the village to attend business about his premises there. He was seen about the place on that day, but

not afterwards until his body was discovered. On Friday he had complained of ill health and it is supposed that while attending to some business in the field he must have suddenly died. He was advanced in years." He had one daughter: Sally Cushman, who was born on November 14, 1794. On December 3, 1816, she married Solomon Stevens and they had twelve children, as follows:

1. Catherine Stevens, who was born October 17, 1818. She was married to Timothy R. Fairbanks, of Waterford, Vt., on September 22, 1840, and they resided at St. Johnsbury, Vt.
2. Phebe Woodard Stevens, who was born on August 1, 1819.

8. Xerxes Cushman Stevens, who was born March 25, 1852. He resided at Barnett, Vt., and was an enterprising farmer.
9. Lucius Kimball Stevens, who was born on June 29, 1834, and who died on April 29, 1835.

Dear Charles Sowles,
 In the Mayflower Families in Progress book of George Soule and His Descendants (pink book), it states that Mary Soule, daughter of Josiah Soule, born Dec. 5, 1706 never married and had no children.

In the source you quoted, it stated that Mary Soule was married to Joshua Cushman. Now I'm confused.

I think I was the one to post this information from the Stevens Genealogy. In addition to this source, Susan Roser's Mayflower Marriages, George Soule - Mary Soule(4), daughter of Josiah Soule (3) married Joshua Cushman on January 2, 1732/33 in Duxbury, Mass.

Joshua Cushman was a descendant of Isaac Allerton according to Susan Roser's books. It would appear that Joshua and Mary definitely had children. If more information and sources are needed, please feel free to contact me directly.

Subj: Another Soule/Cushman line
Date: 12/31/98
From: OmniSmith@compuserve.com
To: SOULE-L@rootsweb.com

I have another Soule/Cushman line that went to Vermont (Thetford).

On 30 Jan 1734/5 in Duxbury, Allerton Cushman, Jr. (b. 16 Dec. 1712) married Alethea Soule (b. 9 Jan 1713/14). Alethea was the daughter of first cousins Joseph Soule and Mary Peterson, both Soule descendants. Allerton was a descendant of several Mayflower families.

This branch moved for about one generation to Coventry, CT, then to Thetford, Vermont. Asenath Cushman, daughter of the above couple, married Joseph Downer whose roots went back to an early Newbury, MA family.

Yes, most of the Cushmans are descended from Robert through his son Thomas who married Mary Allerton.

The pink four generation Soule book covers this pretty well. Does anyone know what progress has been made in revising the silver 5 generation Soule book? Is the revision slated for publication any time soon?

===== Allen, this information may help. After typing the below on Susanna I reread your question. You really wanted information on George Soule himself. Please let me know and I will send what I have. Lynde Stewart Susanna2 Soule (George1) b, prob. Duxbury, abt 1642, d. prob Kings Towne, RI in or after 1684.

She m. place and date unknown Francis West/West and resided with him in that part of Kings Towne RI which became North Kingstown in 1722/3. The place or date of birth, date of death or parentage have not been found for Francis.

When Gov. Andros took over the King's Province in 1687, he levied taxes on the inhabitants of Kingstown RI - renamed Rochester. Included in the list were Francis West, Sr., Francis West, Jr., and Richard West. Only Francis, Sr., had a rate, that of 2 shillings 1 pence. The children of this family have been difficult to trace.

Francis, Susannah, and Martha remained in the Kingstown RI area; William removed to Newport, RI, prob. after the d. of his first wife; Clement moved to Charlestown, RI and then disappears from RI records, perhaps moving to Dutchess County, NY; Richard returned to Plymouth and Bristol

County, living in Middleboro and Taunton. Have not found Peter, John nor Thomas. This family name has a variety of spellings in the public records; West, West, Waste, Weast being common variants. Some of Susanna's children are identified in the Samuel West Memorandum Book pub. in the Mayflower Descendant.

To: SOULE-L@rootsweb.com

Hi,
I am new to this mailing list. I am wondering if anyone out there is reseaching the Sowle surname in Michigan. My great aunt, Lana Ann Kniffen (b. ca. 1841), married a Lyman Wallace Sowle (b. ca. 1836). They were probably married in Lenawee County, Michigan, probably around the 1860's. They had at least one son named Mark Perry Sowle b. June 26, 1871 in Britton, Lenawee Co, MI. It is possible that Lyman's father was Abraham Sowle b. 1810, Johnstown, NY - d. Nov 1, 1890 and married to Thankful Allan 1834 in Flatbush, NY.

Abraham and Thankful's other children, besides Lyman, included: Susannah Ann Sowle b. Nov 18, 1840 (m. 1. Edward Pilbeam and 2. Irving Aldebert Westcott); Joseph Marsh Sowle b. 1842 and Marcus Anthony Sowle b. 1844. I would like to correspond with anyone who knows about this family to exchange information. Thanks for any help you can give me.

Hi Joyce,

Welcome to the Soule mailing list. :-) My line of Soules are from Michigan too, but further north in Sanilac County. If you don't get an answer to your query, please don't give up, post again in a week or two. I'll check my records to see if I have any info on your line but at this time, I don't think so.

Hi Everyone.
I have been out of touch for a while because of a Christmas Gift and Soule research. I now have the CD Early Vital Records of Plymouth County. I love it but it is a pain to get to know. I have found all of my Soule family added about 8 children to two generations and a wife as well as many missing dates.

Now for the reason in the subject line:
Marilyn Eva wrote, a few weeks ago. Samuel Soule (John, Joshua, John, George) , born July 06, 1734 in Duxbury, married Mehitable White. According to the Duxbury VR's he died in "Carolina" on January 19, 1768. Does anyone know the parents of Mehitable White? I cannot find her in the Duxbury VRs.

I found her I think in Abington Births page 242 I am coping letter for letter as it is written under WHITE. Metehbell [sic], d. Thomas and Abigail. June 26 1734. Does anyone know what the [sic] means? I have seen this a lot. As I can I will backtrack on other unanswered Questions if I find them and an answer. Nancy

Nancy - you are brilliant!!! The date of birth is perfect. Mehitable was "of Plymouth" according to Mayflower records, but I'll be darned if I could find her in Plymouth colony records. Well, maybe they meant Plymouth county - that's where Abington is. "sic" is used generally when there is a probably error in spelling and no attempt has been made to change the original. It is Latin and means" so..thus...more at so"

Subj: Mehitable White cont'd
Date: 1/8/99
From: Hershele@aol.com
To: SOULE-L@rootsweb.com

Two possibilities here for Mehitable's parents per Nancy's email.
Thomas White married Abigail Eager on December 6, 1718 in Weymouth, Mass. Thomas White married Abigail Penniman on June 17, 1725 in Boston, Mass.
Spent a few minutes checking my records.... #2 Thomas who married Abigail Penniman (a Braintree name) came from the Weymouth Whites who are not in any way related to the Mayflower Whites & the marriage (but not the kids) is documented in a book called "The White Family of New England". I have this White line done by Elisha Thayer which was extracted from his "Genealogy of Fourteen Families of the Early Settlers of New England".
Mehitable White Soule Weston died in Duxbury on May 01, 1822 at the age of 88. The birthdate for Mehitable White of Abington that Linda provided, i.e. June 26 1734 fits with our Mehitable White Soule.

I will be doing some research this weekend. Since the marriage dates are so close, perhaps Thomas White married twice.

Have a good weekend. We have nasty weather here in Ohio - dreadful.... But a warm fire, good music, the children etc. can make for a cozy night. Regards, Marilyn Eva

Subj: Capt John"B." Soule
Date: 1/9/99
From: twolions@world.com

Hi Ruth:
Well Ruth Good News is amongst us! But first I must make an apology, (maybe even a million + 1 of them) for being so uncommunicative and unresponsive regarding this search for Capt. John B. Soule. I really am sorry that I haven't been able to get back to you any sooner!

I had sat down here at the computer several times trying to figure out a way to let you know I wasn't making the progress I had led you to believe, a while back. Every time, I tried to get started some-thing would come up and I would lose my train of thought-"Derailed" so to speak. That happened day before yesterday, when I started a letter to you, and it was during our most recent blizzard, somebody called me for an emergency load of firewood. Children cold no fire need completely out and all that stuff. I made the delivery, but lost the email and couldn't retrieve it. Here I am again: Only this time with some better results. I was able to sit down again last night and do some more "Heavy Thinking" bout ol' John.

Actually, what has been happening, is that I really didn't have enough "clues" on ol' John until just recently you were able to give me the hint that his Fathers name was also John. That hint plus one that I found in the Soule Kindred Archives-Card files led me to his entire lineage back to "Georgie Baby" of Mayflower fame. That second hint had been sitting right there where past Historians had put him and right where he belonged waiting for me to find him. Your John the father made me notice him---Finally. 2nd hint you ask? John "B's" Middle name was "Bowker."

That "just had to be" a surname passed on from a previous generation, and possibly from his mothers line, Right? Sure enough Johnnie Babies, mother was Deborah Bowker, downhill sledding from there. Here's his lineage.

- George Soule m. Mary Bucket (or Becket);
- (Mayflower Pilgrim)
- John Soule m(1) Rebecca Simmons; m(2) Esther (Nash) Sampson
- Josiah Soule m Lydia Delano
- Abishai Soule m Abigail Delano
- John Soule m Deborah Bowker
- John "B" m Nancy Norcross (Bowker) Soule

I believe when you add the additional information you probably have of generations between John B.'s daughter Eliza Gale Soule, you should have enough information to submit at least a "good starting lineage" to the General Society of Mayflower Descendents. I believe you did mention somewhere back, that that was your goal. I would be personally interested to know what the outcome of all that turn out to be. It would also fill in some gaps in Soule Kindred Archives.

Nuff for that-Next Subject: Lincoln/Soule research. I have also not had good luck with that as yet. I do own a copy of the Lincoln genealogy, and particularly one that was early settler of Hingham, MA. An over 600 page genealogy. It is quite hard to follow, for one reason some of the pages are really screwed up, and out of order. I probably should take the time to reprint it, and put it back in order but haven't done that because of lack of time to do it, but also I haven't used it all that much to justify all the work involved. I bought it originally, for my own family research but to also copy for resale should I ever find a buyer who really wanted it. Anyway, it does contain several marriages of Soule people and Lincoln people, but I haven't been able to make any connection to your Lincoln family. Most of the marriages were ca1830-1850's that I found might possibly fit. Do you have any other clues, on this one?

There are a couple of Lincoln/Soule lineages in the Soule Kindred index, and when I followed them up, I didn't make any connection there either, but now with a more defined idea of "who and where", I'll need to go back and look that line over again. Meanwhile, maybe you can give the idea some thought and let me know if you come up with any more clues. O.K?

For now, this is about all the "Good News Amongst Us", I'll get a package into the mail ASAP. Have a Happy New Year and a good weekend.

Sincerely,
Jack SOWLES, Historian

From: twolions@wworld.com
To: SOULE-L@rootsweb.com

Hi Ladies, and Hi SOULE-L:
Looks like a possible mixup in a couple of recent messages re: John SOULE(s) who married Esther Riggs; and John SOULE(s ?) who was the son of Howland SOULE and Mary HAGAMAN. These "could possibly" be the same person but Soule Kindred has no evidence to that effect. At the present time we have evidence that John SOULE who married Esther RIGGS was the "possible" son of Jedediah SOULES of "probably" Vermont. His SK Ancestral Number is 3752/73. We have no definite proof to his fathers name, and are looking for more information.

John SOULE', son of Howland SOULE and Mary HAGAMAN, SK Ancestral number is 3754/73, and we have evidence that he probably married Elizabeth TETZELL. No absolute proof on this marriage, however they are mentioned in G. T. RIDLONS Soule/Sowl/etc. Genealogy, on page 652.

Don't know whether this clears anything up, or just add's more confusion, however here it is for what it's worth.

Hi "Spirit Flyer" (Whoever you may be:)

I took note of your recent email re: Ebenezer Soule/Sarah Oakley. This is one of the "unresolved" lines that Soule Kindred in America has worked on for several years. I worked on it myself for one of my old customers quite a while ago. It appears that you've found most everything that Soule Kindred has in our archives, however, it would require going into the files and "copying out," everything if that should be your desire. There could be quite a few pages, and I'm not going to go through that drill, unless you say "Go!" I do have a better suggestion for now.

I've gone into the index for Family Tree Maker v5.0 and made a printout of all the entries I find for Ebenezer Soule, Gilbert Oakley, and Sarah Oakley. What I think we should do is for me to make a copy of this list for you, unless in case you may have the same genealogical software. If you did, then you could make a copy of the same entries yourself. After you get copies of these entries, then sit down and "bump" all the entries against each other manually. (I don't have a search program which would handle such a "sort"). The goal of this sort would be to try to come up with a reduced size list, which in "high likely-hood" would contain all three of the individuals mentioned here. I'll do the same and then we'll compare notes. After that we'll make copies of every entry which we end up with from the Cd's we own. All this to try to figure out who the Ebenezer you're working on really is. This may be a good trick because there were at least 4 (maybe more) Ebenezer's in Columbia Co. N.Y. at the same time you've mentioned in your query of 13 Jan. 1999.

All the above "verbage" is by way of letting you know that "I don't know who Ebenezer was---Yet!" I'm willing to take him on if you are. As Soule Kindred in America Historian, I'm also extremely interested in him. Hope we can "unravel" him, But no guarantees, O.K?

Hope to hear more on this one, "ere long." I'll need your snail mail address, so I can send you copies of these

pages I've printed out. I would try to send them by an email attachment, but my prior success with that endeavor, has been zilch!

Sincerely,
Charles J. SOWLES,

Dear Cousin Chuck,

Congratulations of your new job as editor. I think I have a news item for it--about myself.

I don't know if this has been printed in the Newsletter. If it has, forget about this letter. But recently have had published a book that I'm modestly proud of. It's titled: FOUR BRITISH WOMEN NOVELISTS: ANITA BROOKNER, MARGARET DRABBLE, IRIS MURDOCH, BARBARA PYM--AN ANNOTATED AND CRITICAL SECONDARY BIBLIOGRAPHY. Scarecrow Press, Lanham, MD, 800-462-6420.

Amazon.com knows all about it. I agree that the title is a mouthful, but the idea is simple. I list all the articles and books written about these very fine novelists--four of the greatest of the last 50 years--and summarize what they say and comment on them.

Best wishes for the continued success of the Newsletter.

Hi Nancy:

Yep, I thought I'd get some questions about those pages I sent. They're from the "Soule Kindred Index," which I think I've made reference to in several emails to Soule-L. The Soule Kindred Index, is actually a tabulated lineage chart of a "slew" of lineages from numerous persons who have contributed research to Soule Kindrd Archives over the past 50 years. It contains 135 pages of these Soule Ancestral Numbers cross referenced to a second column of Parent Ancestrel Numbers. Since they are in numerical order, you

can follow them back right to George Soule, who is number 2723 on page 53.

There can sometimes be a glitch; If the parent ancestral number is "0", that is where the reported and researched lineage ends. It means that with all the research that has been done, both by Soule Kindred and by the individual who was researching that line, there was a break in the lineage and no further information could be found. Sometimes a break of a generation, sometimes more. More research is needed. Soule Kindred doesn't have the answer.

You've "nuked out" the first few columns pretty well. As for the next column after the date of birth; the Ltf stands for Letter file; Cdf is card file; Mai is Mayflower Ancestral Index. Sometimes there will be a 4 digit number there which is the number of the lineage line of the person donating the name, if there is no other reference material codw which would apply. Sometimes there is a [VR:ME] or a [VR:RI] or some other [VR:xx] That means that the entry was taken from Vital Records and the State. Mostly, the codes lead me as Soule Kindred Historian, back to the Card File-Cfi; File Drawer=Ltf; or Red Book-rbk which should have the original research files of the individual concerned. We do have a pretty "jam-packed" file cabinet of research files.

I didn't mention the rbk file till last, for a reason: Col. John Soule who was the first historian of Soule Kindred (I think but not sure) Started a file of "Red Notebooks: all containing Family Group Sheets and detailing each family line from the researcher back to George Soule. It grew like "Topsy" into about 30 or more loose leaf notebooks of possibly a hundred family group sheets or more in each one. By todays research standards with computers, it's a son of a gun to research. I've not yet been able to "nuke" out his filing system in the red notebooks. Incidentally, all these files have been photocopied by the LDS church and are contained on a series of 12 micro-films rolls which are numbered 1531547 thru 1531558, in the LDS film catalogue of the LDS "Family History Library Catalogue-Surname." This may or may not mean anything to you but if you took these numbers and went to a Mormon Family History Center they would lead the librarian right to them. You could rent the film, any one or more, and have it's use available at the Mormon Family History Center nearest you.

Hope all this makes sense. Until next time.

Sincerely,

Jack SOWLES, Historian

Hello, Soules--I am a descendant of Polly SOULE (1802-1889) of Duxbury, MA and Franklin County, ME. She married Stephen Philbrick FOLSOM 9 Jun 1824 in Avon, Franklin, ME.

I am looking for more information on three Soule spouses who were Polly's ancestors:

- (1) Mary "Polly" Darling (abt 1770 -), of Duxbury, MA. Married June 1796 to Joseph Soule (1771-1805) of Duxbury and Avon, Franklin, ME. Joseph was the oldest son of Joshua (1743-1808) Soule and Mary CUSHMAN (1744-1819), and

one of his younger brothers was the famous Bishop Joshua Soule.

(2) Joanna Studley (abt. 1680 - bef. 1767) of Woolwich, Sagadahoc, ME.

Married 15 Feb 1704/05 to Joshua Soule (1681-1767) of Duxbury, MA.

(3) John Peterson (abt. 1636 - abt 1720), of Lyme and Duxbury, Plymouth Colony, MA. Married abt. 1666 to Mary Soule (abt. 1644 - aft. 1720) of Duxbury.

Can any of you help?

Hi Bob,

Or should I say cuz :-) My husband is also descendend from Joshua Soule and Mary Cushman through one of their sons, William. I show your Joseph Soule as the 3rd child of Joshua and Mary. William is the 4th child. I beleive I got that from the silver book, George and his descendants. for 5 geneations. I don't have that book in my possession but several people on this list do. Perhaps one of them would verify Joshua and Mary's children for us. You may want to check out some of these URL's

<http://www.geocities.com/Heartland/Plains/6431/Soule.html>

Also at the bottom of this page are some helpful URLs for researching the Soule family. The silver book is out of print but the Mayflower Society still sells the pink George Soule book, which covers four generations from George Soule. Its only \$8.00 and well worth the cost. That link is also at the bottom of this page.

<http://www.geocities.com/Heartland/Plains/6431/Rules.html>

This book covers John Peterson and his wife Mary and their children. It also covers Joshua and Joanna Studley.

Here is some info sent to me by a new found relation (6th cousin) in Oregon, thought I would pass it on.
Quoted from The History of Tioga County, Pennsylvania Published by R.C. Brown and Co. 1897 p. 283
Elisha Soule was born in Massachusetts, May 15, 1806, a son of Rowland and Mary (Phelps) Soule. In Early life he removed to Truxton, Cortland County, New York where he was married May 10, 1826 to Polly Colegrove, a daughter of William and Susannah (Brightman) Colgrove. She was born in Rhode Island, whence the family moved to New York State.

Quoted from the Barron Shield Friday March 18 1881
"Old Mrs. Edgbert of summer is reported to be very sick, as is also Mr. B. R. Estabrook"

Quoted from the Chetek Alert Newspaper, 16th, February 1884: (microfilm at the Rice Lake Public Library)
"Obituary: Died- At the residence of her son-inlaw in the town of Sumner, Barron Co. Wisconsin on the 2nd day of February 1884, in the eighty-first year of her age, Mrs. Mary Soule Edgbert.

The deceased has known much of the trials and triumphs of pioneer life in three states. Born in the state of NY, she experienced in her childhood, many of the joys and sorrows which are common to a new country. Afterward, with her husband and growing family of children she contributed her full share towards forming and developing the present social and religious advantages of a part of Tioga County, PA. The last thirty years of her life she has resided in Wis. - surviving her husband twenty years. She combined energy and prudence in her household affairs, From early life she was a devoted Christian and a constant member of the M.E. Church, to which she was ardently attached. The patient and cheerful manner in which she met all the events which occurred in her family and community even to infirm old age, is a benediction to all her kindred associates. As the Mantle of Elijah fell upon Elisha, so shall the mantle of Christian Grace, which characterized, "mother" Edgbert, fall upon her only son, her four daughters, her twenty one grandchildren, and her score of great grandchildren; guiding them also through a safe, happy and useful life, to the home of the faithful above."

Mary Soule Edgbert was my ggg-grandaunt the wife of : John Darius Edgbert son of John and Sarah Edgbert of VT and brother of William Edgbert (my ancestor).

I am interested in Mary Phelps Soule and Rowland Soule's children Might my Mary Soule have been their daughter? I have her parents listed as Rowland Soule and Cynthia Phelps. I have not found any other siblings although I imagine there were.

Thanks for any help you could provide

My parents have traced their ancestors back to George Soule. But interesting enough, they can not seem to locate the official marriage date and location of my grandparents. My parents have tried various church registries and counties, but to no avail. They may have been married in Canada also. They have checked the census and found them already married. My father's birth certificate indicates his parents were married at the time of birth.

Does anyone have any suggestions on how I could search via the internet a much broader base of information?

My parents did alot of leg work, without a computer, many years ago. I am just beginning. I am taking over where they left off. And I would really like to surprise them with this info.

Thanks for your help.

I guess the reason I didn't give specifics is because I want to surprise my parents for their anniversary. They are involved with Soule Kindred which, at least the last time, published a copy of these emails.

Russell Soule/Henrietta Latour (my grandparents)

Benjamin Soule/Elaine Hyatt (my parents)

Maria Elana Allstott(Soule)/John Allstott (me)

The following is from my memories and some of the papers my parents passed on to me. I am sure my parents would know the specifics IF I have to ask them.

My grandmother, Henrietta, was Catholic so it is assumed they were married in a Catholic church in Southeastern MI. My grandfather is still living. He turned 100 this past Sept. But he doesn't remember where they were married. My grandparents separated when my dad was about 5 yrs old, approximately 1927. My grandfather is very certain they never divorced due to my grandmother's religion. My grandfather was in the service right around the time they would have gotten married and I think he was stationed in Canada. The copy of my dad's birth certificate states his parents were married. Dad was born in Detroit, MI. I have a letter from the church in the area where my grandparents lived that states they have no records of them being married there. Nor was there any info from my grandmother's side. I can remember my parents saying they checked alot of places looking for the marriage certificate.

We grew up with the idea that our ancestors were French Canadian and that is why we spelled our name Soule' and pronounced it Sulay. My grandparents and parents were born and raised in the Detroit, MI area. I vaguely remember my great-grandparents who also lived in MI. I believe either Edward Sowle or John Cannon Soule were from Canada. If need be I can be alot more specific about dates and places as my parents have registered with DAR and others. The info is here, I just need to be able to figure it out. Sorry for going on and on. It would a wonderful surprise if someone has the info I am looking for regarding my grandparents marriage.

Hi All

As some of you know I am new at this genealogy stuff and I have just learned a valuable lesson I want to pass on to other beginners. Don't ignor a source because your not interested in that aspect of the search it could be a valuable source of other information. To be specific I ignored the Daughters of the American Revolution information because I wasn't interested in military information. I'm a military wife and enough is enough. But a posting by Hershele@aol.com about Partridge, Soule made me curious and I went looking. I found two of my three missing dated and another question was answered as well as the name that I just got from another source all in one place. I'll put the listing below though it may not help any else. I hope my mistake helps someone else.

I subscribe to FTM's online genealogy library as many of you know. They have a very large collection of vital records, by county, for Indiana. I noticed a substantial number of "hits" for Soule, Soules, Sowle etc.

Is anyone looking for an Indiana Soule ancestor or may be generally interested in this info???

Also, I subscribe to Ancestry where they have over 130 DAR volumes online. If anyone needs a look-up, please feel free to ask me.

I am seeking information about the Roberts family, which married into the Soule family circa 1850 in Kalamazoo County, Michigan, and the Moore family which married into the Soule family circa 1887 in Athens, Michigan. Harriet "Hetty" Roberts married Stephen Soule in Kalamazoo County circa 1850, but I can seem to find very little info about the Roberts family although I'm told that they, along with the Soules, were pioneer families in that County. Nellie "Ellen" Moore married Elton Vincent Soule in Athens, Michigan circa 1887. Her father was Robert J. Moore. Thx in advance to any and all who can give me a hand. bob keldgord

These are repeats of an email I posted in December. But since there are new folks posting requests for Michigan info - here are some Michigan "Soule" marriages I hope will be helpful to someone. Sorry, Bob, I can't find specific marriage info on Elton and Stephen Soule. As to where your families may have originated: there were several Soule brothers in Geauga County, Ohio (from New York) - one or two moved to Michigan @ 1830's. In Geauga County at the time was a Roberts and a Moore family. Perhaps this is where they came from??? If you have names farther back - I can look them up in one book that is online at FTM's genealogy library.

Subj: Holman /Soule

Date: 2/6/99

From: twolions@wworld.com

To: SOULE-L@rootsweb.com

Hi Nancy: (Again for today's second time)

1. I've been looking back into my SK archives files for whatever information, we had communicated between us regarding Cozette Soule and Edward Holman. I think I'm even more confused now than I was before taking a look. There are some unresolved questions in what we've covered.

A. Soule Kindred has no actual evidence of Hannah Soules' marriage to a Holman, or for that matter, to anyone. In my Soule Kindred Index her spouse is indicated thusly: [?] [?].

B. We have no evidence of anyone named Cozette Soule either. Our initial notice of these two persons was as a result of email regarding them.

NOTE: I've made a more or less "flat statement here" so let me qualify it somewhat: What I mean is that I myself have not found evidence as yet of Cozette or a husband of Hannah. The two may easily be contained somewhere in the SK Archives, I may not have yet got to it. I'm still "Green" on some aspects of the Archives. I shall however, continue to look; there, and in CD-Rom vital records.

C. I'm wondering whether you might have "stumbled onto" an "Illegitimate birth-Kissing cousins behind the woodshed," type thing. My reason, for saying this: In your first correspondence you indicated (as you've also done a couple of times since,) that Hannah had married a Holman. If Cozette was born a Soule, to where did Mr. Holman disappear? (Oh, I know "My grandma wouldn't have done that either." :-)

D. There is one other logical explanation for this discrepancy though: What if there was a generation or two missing? I don't have the answer to any of these questions. But am keeping my eyes open. O.K?

2. In order for your grandchildren to apply for the Soule Kindred Scholarship program, all they have to do is apply. They do not have to be "proven in the strictest sense of the word," as they might to apply through the General Society of Mayflower descendents. I don't know what the requirements of the General Society of MD might even be. I don't know whether they even have any scholarships.

Soule Kindred has not to my knowledge, ever required any sort of "proof" of descendency from George Soule and therefore, no "proof" as such should be required of your children or grandchildren to apply. The only "requirement" Soule Kindred has for membership, per our By-Laws, is an interest in the general educational subject of George Soule and Mayflower History I have purposely questioned this subject at a couple of Soule Kindred annual business meetings, in order to have it clarified; However there was no specific action taken to clarify it. There was however, a long "Song and Dance." At this time there is no proof required to be a member of Soule Kindred, or to apply for the scholarships.

Well, this has become sort of "Windy" as my dad and my favorite aunt used to say. Guess, I had better turn it off.

Sincerely,

Jack SOWLES, Historian,

Soule Kindred in America

According to the Duxbury VR's (Mayflower Descendant volume 37), Hannah P. Soule married Joseph M. Harris, July 20, 1877.

According to the Marshfield VR's (Mayflower Descendant volume 37), Hannah P. Soule married 30 November 1895, Edward Francis Holman.

There is no record of a Cozette Soule married to Edward Holman. I can see why there may be some confusion here. Yuck.

Hi Ruth:

Well, if we keep getting all this "Good news amongst us," I don't know how we're going to stand ourselves. Congrats, on putting all the past months research together. Hope there don't appear any more "glitches," although, I'll have to admit this one has'nt been too awful difficult to prove. Maybe, we got extra lucky.

I've got another package working up, with copies of the applicable pages from the Soule Kindred Newsletter which show "ol' Johnnie Boy." There may be more there but I've only gone in and copied out the "Quick" pages I could find. There is no really comprehensive index to the Newsletter, although each year's issues are indexed in the first issue of the next year. Jim Schlosser of Tomah WI, has done a pretty fine job with these over the last many years.

If you want to own more issues of the Newsletter, which I would highly recommend, you can order them directly from Betty Jean Haner: Treasurer, Soule Kindred in America.; 53 New Shaker Rd.; Albany, NY 12205-3615. Complete set \$125.00 plus \$10.00 shipping in the US. (I think Nevada is in the US isn't it?) Ha. There are some issues which are out of print, and those can be copied for \$.05/Pg. If you haven't received your first issue of the Newsletter since you joined SK, you'll find an order blank for back issues, in future newsletters.

Lincoln Genealogy: Descendents of Samuel Lincoln of Hingham Mass. I can supply you a copy of this genealogy by several methods. (1). I can order you a copy from my supplier at \$90.00 plus \$10.00 if you would like it hard-bound. and 5.00 shipping and handling. Terms: 50% down and bal on delivery. I've been selling books such as this for several years through my Two Lions Enterprises business. These books are high quality reproductions of old genealogies. The company does very good work, but delivery time is 8-10 weeks.

2. I can reproduce my old copy myself for you at \$0.15/pg. It's 713 pgs so you can see that the above price of \$90.00 is fairly reasonable.

3. I can make you a really good deal, especially if you might have a good copy service available to you such as a Kinko's. Might there be one (or something like it.) I could loan you my copy and you could have it reproduced yourself. If you would be willing to do this, you could have a 2nd copy printed at the same time and I would be willing to pay the cost of the 2nd copy, plus shipping charges of that copy and my original, back to me. Your "rent" would be the work involved with getting all this done. Sound Fair? I've got one more "catch" involved and it's a "kind-of-a" biggie:

You had mentioned in some of our prior correspondence that you're working with computer genealogy, or at least getting started with it-Might you be willing to computerize this Lincoln genealogy. I think you said that you're using Family Tree Maker. If so, the job would not be excessively difficult, only time consuming. I'm not making this a definite part of the above "rental" agreement. Just something I would like you to think about, for the future. You can let me know what you think, no strings attached-O.K?

SKDX\_: Soule Kindred Index: I highly recommend this index to all Soule/Sowle/Sole etc researchers. I think it is one of the most useful tools I use in my own genealogical research, and I wish there was a similar one for every family (Surname) that exists. (I do know of one quite similar for the SHERMAN family.) This index actually consists of three sections, each of which is also useful as a "stand-alone section". The Soule Kindred Index itself, the Soule Kindred Spouses index, and The Soule Kindred (Other Surname) Index. They admittedly, do have some errors or deficiencies, (such as we've found with John B.) however they are a real advantage to Soule Kindred researchers. If you've been

following the progress of research in the Soule-L Newsletter, you may find it interesting to know that most of the research problems which people have been coming up with, could just as easily have been researched in the archives of the Soule Kindred in America, and by using the Soule Kindred Index as a "tool." It cuts research time down tremendously, and is an extremely good value. It can be ordered from Mr. Jim Schlosser, at 801 E. Brownell St. Tomah, WI. 54660. (Incidentally, I've resumed a policy of continuous upgrade (annually) on these publications, and there is presently one in the works. With your permission, I would like to include entries which have resulted from our mutual research into the next upgrade.)

Well, this is about it for this morning.

Sincerely,

Charles J. "Jack" SOWLES

### MEMORIAL

### SCHOLARSHIP AWARD

### RECIPIENT

Jill Marie Vesseley has received the Avis Roberson Haner Memorial Award.

Jill is the daughter of Jon Carper and Patricia A. Heusch Vessley of Lawrence, Kansas.

At present, Jill is enrolled in a Ph.D. program in Art History at the University of Kansas.

Jill has received several honors including the University of Kansas Carlin Award for Outstanding Teaching. "There is no more prestigious award at the University of Kansas for graduate teaching assistants. She has taught five semesters at the University and has also taught two semesters at Johnson County Community College and three semesters at the Kansas City Art Institute." These are statements of Linda Stone-Ferrier, Ph.D. Professor and Chairperson of the Kress Foundation Department of Art History.

According to another of her professors, "Jill enjoys an excellent combination of skills. She is intelligent, very hard working and has superb 'people skills'. In her Ph.D. exam both written and oral, she stunned all of us with her ability to synthesize art historical material from a very broad spectrum and passed with flying colors"

Jill says "as a teacher, I hope to combine the enthusiasm of my undergraduate professor with the compassion and professionalism of my graduate mentor". She says, "I hope to challenge, encourage and inspire students to learn. These are my goals in and out of the classroom."

She also says, "my goals for the future, however, are not purely professional—I also want to marry and have children. I realize this is an unfashionable statement in the light of current societal trends of professionalism, but for me, it is very important."

# Parting Thoughts

from the editor

*Please pardon my taking a little more space in this edition beyond what I have already done. I have two purposes in doing so.*

*First, and the least of the two purposes, is I need to have a final page so that the printer doesn't have my hide with an uneven number of pages. Also, I didn't want to leave a blank page at the end.*

*Second, and more importantly, thank you to all who have in any way contributed stories, pictures, family histories, and all of the rest. I have put as much in as I thought we could accommodate, and there is much within these covers. Despite all of that, I have left out some thirty or more pages of e-mail messages that I could have entered this time. As space permits in the future, I will add these items.*

*Finally, please send me any feedback you have on the newsletter. All critiques, positive or negative, are welcome. It sounds trite to say it, but this is YOUR newsletter, and I want to meet as many needs and wants as possible in publishing it in behalf of the Soule Kindred.*

*Take care until the next issue comes out in July.*

**EXECUTIVE BOARD MEETING**  
**October 24, 1998**

The Executive Board Meeting was called to order by the President, Chris Schlosser at 3:00 P.M. October 24, 1998.

Robert Bishop opened the discussion by stating that there needed to be a better economic base for the job of historian. He feels that the office should be self-supporting. In the past the philosophy of the organization has been that the office be supported by the membership, and be a beginning help for prospective, new and current members. There was much discussion about how much help should be offered, who should have access to the records owned by the organization and if there should be any cost to those desiring help. Charles Jack Sowles, the new historian, said he was doing a great deal of research when requests were being made.

There was no decision made as to the direction the organization should go along this line, but rather it was just an exploration of ideas.

Jack had asked that the organization buy a copier, however it was decided that at this time rather than invest in equipment, the organization would pay 15 cents a copy for the copies that he needed to make. There would be an advance of \$100 for his use. He would submit a statement of the fund use to the treasurer, either if he needed additional funds or before the next reunion in order that the information could be included in the treasurer's report.

The microfiche equipment is in need of repair. The president requested that Jack find out the cost for the repairs, and at the president's discretion, if the repairs would be less than \$300 the repairs should be made.

There was a policy set forth that moneys should be advanced to the host of the next reunion as needed for supplies and deposits.

Jack is to develop a plan for shelves and files to set up his office in order to accomplish the job of historian and to house the files and equipment owned by the organization. The organization will pay for the materials necessary.

Jack will be reimbursed for the cost of moving the files from Gerry Schlosser's home to his office at the rate of 30 cents a mile-\$326.00.

The meeting was adjourned at approximately 4:15 P.M.

Respectfully Submitted  
Peg Rocke, Secretary
